**River's Edge Roadcourse – Mission, BC  
September 19/20, 2009**

The Children's Charities Grand Prix is back for another exciting year! The 2008 race thrilled local race fans with an amazing display of beautifully prepared, high-horsepower GT machinery in a fierce battle on the very challenging 1.33 mile 9 turn River's Edge Roadcourse.

We are very excited to announce that the 2009 race will be officially known as The BMW Store Children's Charities Grand Prix. The BMW Store General Manager and CCGP P1 Driver, Rocky Elli is thrilled to be a supporter of the CCGP. He is very much looking forward to being a part of history as the 'Biggest Race in BC since the Vancouver Molson Indy' takes to the track in September. The CCGP concept is derived from the ultra-successful fan-favorite SCCBC Invitational that ran along with the Vancouver Molson Indy from 1990 through 2004.

The inaugural CCGP raised \$30,000 for the BC Children's Hospital Foundation and the Children's Wish Foundation

CCGP drivers will again be racing for a \$10,000 prize purse. The race will take place during round 4 of the Pacific Region CACC Championship. The weekend will also feature a variety of exciting classes including the Honda Challenge, Formula Cars, Vintage racers and everything in-between.

The BMW Store Children's Charities Grand Prix will continue to benefit the BC Children's Hospital, Children's Wish Foundation and our newest charity, Steve's Dream. Partial proceeds from gate will go the charities as well as funds raised from a silent auction and the infamous 'Hot Laps 4 Kidz'. This unique offering gives fans an incredible opportunity to go for a ride around the track in a variety of Supercars and Race cars with Professional Drivers at the wheel.

The BMW Store Children's Charities Grand Prix offers a fantastic opportunity to all those involved in Motorsports (and beyond) to come together to benefit sick children and demonstrate on a grand scale that great road racing action is alive and well in BC!
