

April 2019

Dear Driver Training Student;

The **Sports Car Club of British Columbia**, founded in 1951, is proud to welcome you to our highly acclaimed Race Driver's Training School. Over the three days of the course, as we come to know each other, you will find a vast resource of information in our driving instructors. The instructors are all members of the club's **Race Drivers Committee (RDC)**, an organization of senior drivers, selected by their peers in recognition of their experience and racing accomplishments. Please feel free to speak with any of our instructors at any time. We are all volunteers and are dedicated to looking after your needs.
