MINUTES OF JUNE MEETING

May minutes were read. No errors or omissions.

OLD BUSINESS:

None.

CONFERENCE:

Last weekend was good with 180 entries. Pam, Ray, Tina and Mike took pictures of our track down to Seattle and showed all the drivers. The roll cage incident is being looked into and Kevin will find out if there is a written report.

WCMA/ASN:

Quite a few licenses have been issued. Irene will request a mailing list of drivers from WCMA.

BCMSA:

Has 19 Clubs representing all types of motorsport. SCCBC was presented with a cheque for \$4,000 for the purchase of radio equipment.

MEMBERSHIP:

156 Club
10 Life

NTD:

No report.

WESTWOOD COMMITTEE:

We had a successful race on May 28 and still need help finishing the timing and scoring tower. The forklift will soon have a new transplated diff. Call Robert or Ray if you can help with work parties. Friday night is set up and Sunday is clean up. We still need someone to take over the organization of installing a PA System and curbing. The blocks that are in Turn 5 will be removed and placed between Turn 1 & 2.

RDC:

Al Ores has entry forms for Driver Training August 1 & 6.

RACE CHAIRMAN:

We had a successful race weekend. Dave Lam was the winner of the first ever race at Mission Road Course.

VICE PRESIDENT:

We have posts for the armco so all we need now is guys to install it. 95DB is now our official limit. We will have a meter at the next event and Kevin will take the sound readings. Work Parties - call the info line! Phone it if you have a spare evening and can come out to help. We have received the \$38,000 bill for the blocks and still have many homeless ones so buy a block. Also we still need more tire bundles. Thanks to Anglo-American who donated their forklift and driver. We will be sending them a letter. Thanks Ian for the use of the Generator.

PRESIDENT:

We have had a call from a freelance writer doing a feature story for the August Edition of the BC Woman Magazine. The subject is Women in Indy. Pam spoke to the Mission Chamber of Commerce on what is happening at Mission and how our club is involved in the Vancouver Indy. Feedback was

positive and we may even get some driver training students out of it. The sedan support race is still under negotiation. The Sedam Committee will meet Monday to finalize the format. Entry fees will most likely be \$800 which includes two Gold Passes and we are hoping for 4 crew passes this time. The Conference noise officier thinks she may be able to come up for the July 10th event. The first Conference race is double points. Now that Victoris is not going to hold their events we will apply for double points events for the other two. The noise rule will be enforced by the Conference Noise Officer.

NEW BUSINESS:

If anyone has a 486 Desktop and 486 Laptop the club would like to rent them in return for 20 general admission tickets. We also need a laser printer and a dot matrix. Kevin thanked everyone who got the track going.

GOOD & WELFARE

Plaques were awarded to the weekend's race winners.

Next meeting July 13th - meeting adjourned 10.00 PM.
