Sanctioned by CACC and affiliated with ASN Canada FIA Inc.

# THE DASH FOR CASH

## 2013 SCCBC "Dash for Cash" Sunday June 9th

- Open to all closed wheel cars registered in another run group this weekend.
- Entry fee of \$75
- Open only to first 30 entrants registered on MotorsportReg.
- No practice or qualifying sessions.
- 75% of entry fee will be contributed to the prize fund.
- Drivers will receive 2 pre-race warm up laps.
- Race will be 10 laps with a staggered start (based on driver declared times - slowest released first) from the pit lane.
- All Drivers will declare a fast-lap time which will be used to calculate start position and start release timing.
- Any driver who posts a lap time faster than the declared time will be black flagged and disqualified.
- Should a restart be required, cars will be released from the pit lane in intervals based on the last completed lap.
- No on-board or external timing allowed. Violators will be disqualified.
- Drivers not exercising due caution during yellow flag situations will be penalized.
- Entrants fast-lap times will NOT be made public. You will submit this time at registration. Fast-lap times will be checked against previous results for legitimacy.
- Once registration closes, the starting grid will be determined and posted.
- Cars will be released slowest to fastest (based on 10 lap multiplier) from the hot pit lane.
- Any cars with matching fast-lap times will draw straws for release order.

- Zero tolerance for anyone who breaks their posted fast-lap time. You will be black flagged and DQ'd.
- Your fast-lap time will be a very important choice as the difference between your time and the slowest car will be multiplied by 10. So, if you post a time 10 seconds faster than the slowest car, you will be released 100 seconds after the slowest car.

Registration is now available on MotorsportReg. Enter today as only the first 30 entries received will be accepted.

## Prize payout

1st - 40%

2nd - 27%

3rd - 16%

4th - 12%

5th - 5%

**Are you skilled enough to  
win a sprint?  
Prove it!**
